fly

The Galeon 640 FLY transcends mere form and function with stunning contemporary design and expertly hand-crafted interiors. This transformer yacht is revolutionizing the segment with its innovative approach to layout. With powerful Volvo propulsion systems and advanced electronics and controls, the Galeon 640 FLY will deliver experiences that create lifelong memories of times spent with friends and family. All with a style that will make its owner the envy of any port-of-call.

Galeon's award winning innovation allows the windshield to open for unfettered access to the bow.

Scenic views abound through large sweeping windows throughout the saloon, forward helm and gourmet galley.

Luxurious accommodations await including two owner's staterooms with plush centerline beds and en-suite heads. Choose your favorite, full beam centerline or forward centerline (pictured).

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.
