The 425 HTS is a smaller sibling to the Galeon 485 HTS. We have re-invigorated the ever popular express style yacht by eliminating the need for soft curtains while still providing a truly open yacht. Close it up and enjoy the climate controlled cockpit or open the roof, doors, and windows and you can laugh about the old days of fighting canvas to stay dry from the approaching rain shower.

Entertaining is a breeze with alfresco dining.

Relax in luxury in the spacious and naturally lit salon.

Style meets substance in this amazing new hard top sport model.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.
