The upcoming 410 HTC based on the hull of the successful 400FLY presents a more sport silhouette matched by its quality interior. The hardtop offers a large sunroof over the helm station. The foredeck offers a sun lounge with an abundance of space for leisure. A clever integrated summer kitchen on the platform ensures many amazing moments with family and friends. Everyone's favorite feature, Beach Mode, allows the use of the added deck space for entertaining and relaxation.

The master stateroom offers luxurious accommodations when it is time to turn in.

The single pane windshield and large sweeping windows provide awe inspiring views from the saloon and galley as well as providing 360-degree sight-lines from the helm.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.

The summer kitchen allows you to easily cook and entertain.
