Where Italian elegance meets
fearless performance

The NX44 Pininfarina is the ultimate expression of innovation and design, born from the exclusive partnership between NX Boats and the legendary Italian design house Pininfarina.

This collaboration embodies the values of elegance, purity, and innovation, seamlessly aligned with NX's bold vision to expand into the global nautical market.

With 44 feet of striking presence, its expansive windows and dynamic lines create a seamless connection between indoor and outdoor spaces, allowing passengers to fully immerse

The yacht's aesthetics are further enhanced by a spacious cockpit and an electric sunroof, delivering a generous and versatile setting for unforgettable onboard entertainment. Designed for those who demand more than just a yacht, the NX44 By Pininfarina blends Italian sophistication with exceptional functionality.

It redefines expectations by combining d cutting-edge design, remarkable comfort, and fearless performance, setting a new standard for the nautical industry in the Americas and beyond.

This is not only a yacht, it is the symbol of a shipyard that dares to challenge the ordinary and embrace the extraordinary. This is the NX44 Design by Pininfarina.
